

NEXT GENERATION STOLEN VEHICLE RECOVERY SYSTEM.

Spartan's Vehicle Recovery System is the latest generation battery powered vehicle tracking solution that allows law enforcement to quickly and easily recover your vehicle in the event of a theft.

PERSONAL VEHICLES

-  Undetectable by thieves - easy to install and hide in the vehicle
-  Can be put into 3 different recovery modes to assist law enforcement
-  Receive a discount on auto insurances - recognized by most insurance companies
-  Can last up to 5 years
-  No monthly airtime contract required
-  Works in the US, Canada, and Mexico
